

## Dear Parents,

Thank you for entrusting your child to us for a weekly choir experience. This leaflet comes to you with a special communication about what you and your child can expect from Wednesday evenings.

The most important thing for you to know is that choir is a time and a place where boys and girls can experience God through music. This means that teachers intentionally make plans for this to happen! Our goal is to teach children about Jesus and how we should live our lives, through the gift of music. All of our activities are carefully immersed in spiritual concepts appropriate to the age group.

Music is a sequential learning process, and we hope that you will help your child to be faithful to this part of the Christian journey. Knowing how to sing is a direct avenue to praising and glorifying God. Who knows...your child may be one whom God calls to be a music leader in a church, university, community, or even the mission field.

At various times throughout the year you will receive emails giving you updates on upcoming events and information you will need as a particular program gets closer. If you have any questions, please feel free to contact me in the Children's Music Office at 972-231-6047, ext. 213 or email [airby@theheights.org](mailto:airby@theheights.org).

We are excited to have your child as a part of our program!

Blessings & Joy!

### Love Notes

Kids will have a great time this semester with music activities, movement and crafts...

God wrote little love notes,  
Little love notes for you and me.

In the B-I-B-L-E!

To be a part of Joyland Choir is free, but we ask for a \$ 15 supply fee for the year to cover music CDs and other Joyland Choir costs. To keep our costs down, we do this through your child's class, and not online.

We have an exciting year planned for your child!  
Here are a few points to remember in  
order to make this the very best experience  
for you and your child...

**CHOIR TIME** is from 6 - 7 p.m. each Wednesday. Please do not pick up your child early unless there is an emergency. We need every minute to teach them! We will be accepting children **NO EARLIER THAN 5:55!** Please consider this! Our leadership is coming from work too, and need time to prepare.

Also, please feed your child and take them to the POTTY before they come to choir.

All children entering our choir program need to be potty-trained.

**WEEKLY CHECK-IN:** Child safety is a top priority at Joyland, so please check-in your child each week at the Joyland station before bringing them to choir. No child will be accepted without their nametag sticker, nor will a child be released without accompanying claim sticker.

**LATE ROOM:** If your child is staying for only children's choir, and they are not picked up by 7 p.m., they will be taken to the room for TeamKid.

Jesus said, Love one another.  
Jesus said, Love one another.  
You help me, I help you,  
that's what the Bible says to do.  
You pray for me, I pray for you,  
that's what the Bible says to do  
You love me, I love you,  
that's what the Bible says to do.
