Ministry to International Students

International Friendship Partners-Did you know that you can be a part of a cross-cultural ministry without even leaving your community? Friendship Partners can offer international students experiences of a lifetime, just by including them in their enjoyments of favorite sports, the arts, religious and cultural events, as well as celebrations such as birthdays, anniversaries, and weddings. This is a great ministry for the entire family! If you would like more information, please contact Bri at happy_face626@yahoo.com or call 469-877-5795.

Bukhair Mentoring

Many of us from The Height's have chosen to sponsor a child at our partner school, Bukhair Elementary. We partner with Kids Hope USA for training and resources for this mentoring program. This morning we are pleased to have Chris Reinsam, Brooke Johnston, and Bethany Wassink from Kids Hope USA with us. You may meet them at The Engage Center between the two services and after the 10:50 service. ***We still have a need for several more mentors. Please stop by the ENGAGE Center for more information.***

ENGAGE WITH TEEN MOPS!

In a few weeks, our Teen MOPS group here at The Heights will begin our second year of ministering to teenage mothers who find themselves trying to fill the role of "mom" while they are still growing up themselves. One of the most important elements of our meetings is the meal that we provide for these young moms. This meal is sometimes the best, if not the only meal, some of them eat all day. Last year several of our ABF's ENGAGED with Teen MOPS by providing a meal for one of our meetings. We meet on Wednesday evenings at 6:30 pm, and we generally need to feed around 40 people. We would love for your ABF to ENGAGE with us this coming year. If your ABF would like to get ENGAGED with Teen MOPS by providing one meal (or several!!) for our young moms, contact Felicidi Fulford at felicidiscott@yahoo.com, Karen Cobern at kcobern@theheights.org, or Mandi Calame at mandi.jane@hotmail.com.
