

FRI OCT. 8

UNION GOSPEL MISSION /// www.ugmdallas.org

We'll be singing for this men's shelter located near Love Field in Dallas. 15-20 older students and adults will be preparing and serving a meal. Because we'll be singing at the same time as the kitchen crew helps to put the finishing touches on the meal, it would be helpful to have adult volunteers, even if you're not going on the trip. Contact tblackley@theheights.org if you'd like to help.

TRAVEL OVERNIGHT TO LATHAM SPRINGS ENCAMPMENT /// www.lathamsprings.com

(We realize some students would like to attend REACH but have prior school commitments Friday night, i.e. football, band, drill team, and cheer. In an effort to include as many as possible, we will explore the option of bringing a group that departs at a later time from the church that would then join us Saturday/Sunday.)
