**By Beth Moore**  
**Room 206-208**

**Teacher: Sue Hansen**

Come join us for a study of the updated edition of "Breaking Free" by Beth Moore, with new videos and an updated workbook. Beth uses Scripture to point out the benefits of our relationship with God and shows you how to remove obstacles that hinder that relationship. A Christian is held captive by anything that hinders the abundant and effective Spirit-filled life God planned for her. As you identify spiritual strongholds in your life, you will progress on the journey toward greater freedom in Christ. *It is for freedom that Christ has set us free. Stand firm, then, and do not let yourselves be burdened again by a yoke of slavery. Galatians 5:1*

## **Revelation Unveiled (Beginning with Chapter 8)**

**Room 203**

**Teacher: Barbara Van Horn**

“Terrorists’ Deadly Attacks Kill thousands of Citizens”

“Global Economy Suffers Unprecedented Downturns”

“Nations Pummeled by Floods, Fires, and Other Disasters”

No one can deny that the world is in trouble. How do we live with such turmoil? Is there any hope for peace in our time? The Book of Revelation answers these and many more challenging questions. “Studying Revelation proves that we are living in the very times described by St. John the Apostle in his amazing prophecies.” Quote from Dr. David Jeremiah

Skeptics call Revelation myth, New Agers call it symbolism, and atheists call it meaningless fiction. Yet for two thousand years it has been considered one of the most compelling books ever written and a powerful lighthouse to a world in chaos, but its treasures may be claimed only by those who have ears to hear and eyes to see what the Spirit of God declares.

We will analyze each chapter, I think you will find it uplifting; and remember what God’s word says... BLESSED is he who reads and those who hear the words of the prophecy, and heed the things which are written in it, for the time is near. Revelation 1:3.

## **What in the World is Going On?**

**By David Jeremiah**  
**Room 214**

**Teacher: JoJo White**

The Bible has much to say about the end times. Yet it is hard to piece together all that information in a way that gives a comprehensive picture of what that time period will look like. That's why so many theories abound. And that's why Dr. David Jeremiah has written *What In the World Is Going On?*, a unique study that cuts through the hundreds of books and numerous theories to identify the essential 10 most important bible prophecies. You'll find it the ultimate study tool for understanding the future. And this study will also motivate readers to live a more holy life and make greater efforts in evangelism. If bible prophecy has always been a mystery to you, Dr. Jeremiah's study will help you solve the mystery.

Is your life being shaken? What remains when everything is shaken? The writer of Hebrews says there will be one more shaking, so that what remains is unshakable. Jesus says it this way, “The one who hears My words and acts upon them has built her house upon a foundation of rock and even the fiercest storm could not shake it”. As we journey through the gospel of Luke, Jesus Himself will show us where to anchor our souls in His Unshakable Kingdom.

We will meet in The Brick beginning Tuesday, September 8<sup>th</sup> at 6:45 p.m. for large group in-depth teaching with Shelley Lane and Rachel Young. We are also blessed to have Jourdan Burks leading worship on the Brick nights again this year. Then on alternating Tuesdays, we'll meet in home discipleship groups with emphasis on abiding in The Word, fellowship, and prayer with Carolyn Stone, Shannon Burton, Stacy Baugh, Ginny Wigley, Jennifer Tinker, Allie Melbert, Christy Shows, Jennifer Robertson and Rebekah Russ.

From the beginning of creation, God has called women to love Him, long for Him, and honor Him in their lives. First Thursday Bible Study will be featuring amazing, godly, strong, yet very human women whose life stories are found in the Word of God. Even though they lived many centuries ago, their life experiences are mirrored in our lives today. We will use their examples, teaching us how to avoid sin and to live a life of courage and integrity. This study meets the first Thursday of every month at the home of Vicki Peters, 1312 Chippewa Drive, Richardson. Our first meeting will be September 3<sup>rd</sup> at 7:00 p.m. All subsequent meeting times will be 7:30 p.m. Teachers for this class are Barbara VanHorn and Frances SoRelle. Please join us for prayer, fellowship, refreshments and a deeper understanding of God's Word. For more information call Frances at 972-231-9606.
