

Choir Award for Attendance!!!

Aim for perfect attendance! We are working to build **ETERNAL** results and the absentee may miss a very important part of the process of finding God's will or knowing Jesus better. **Each choir member in Grades K-6** may work toward earning the **Faithful Attendance Trophy** which we will give at the end of the school year. To qualify for this award, a child must not be absent more than 3 times during the choir year (Sept. - April).
