

SERVE WITH OTHERS

(INSIDE THE CHURCH)

Opportunities abound for serving throughout every ministry at The Heights. Please refer to The Heights Ministries Brochure or www.theheights.org/ministries for more information and ministry leaders. If you know of a place that you would like to serve, please contact the ministry leader.

If you need help in discovering your spiritual gift or guidance in selecting an area of service, please contact Pam Nicholson, pnicholson@theheights.org.

You will need to pick up a PLACE assessment booklet, complete the assessments at home, and then meet with Pam to discuss your spiritual gifts and the best place to serve.

PLACE

Finding Your Place In Ministry

As each one has received a special gift, employ it in serving one another, as good stewards of the manifold grace of God.

1 Peter 4:10

Finding Your Place In Ministry

PLACE is an intentional way of “doing church,” where people are connected with ministry opportunities that match the way God providentially designed them.

The goal is to match people and places of service within the body for the furthering of the kingdom and for personal spiritual growth.

P - Personality Discovery

L - Learning Spiritual Gifts

A - Abilities Awareness

C - Connecting Passion with Ministry

E - Experiences of Life

PLACE is the tool that will help you discover your true, God-given potential for service and ministry.

What is

PLACE?

The “P” in PLACE is for Personality Discovery. Participants use our unique assessment to discover their Personality based on the DISC model.

The “L” represents Learning Spiritual Gifts. PLACE promotes a scripture-based 16-gift model using our comprehensive 112-question assessment.

The “A” stands for Abilities Awareness. Here, participants complete a one-of-a-kind assessment to discover the most effective environment for them to comfortably serve.

The “C” is for Connecting Passion with Ministry. PLACE’s unique curriculum helps Christians identify their passions for ministries and people, and discover how they best demonstrate passion.

The “E” in PLACE deals with Experiences of Life. This session allows individuals to explore the effects of their past experiences on their purpose in life and their future involvement in ministry.

Finding your PLACE at The Heights

Our responsibility is to help you find the way God has knitted you together...

JER 1:5 "Before I formed you in the womb I knew you, before you were born I set you apart..."

Our desire is for you to experience the JOY of living the Christian life!

John 10:10 "...I have come that they may have life, and have it to the full."

We like to say, “You find your life as you give it away!”

Matt 16:25 "For whoever wants to save his life will lose it, but whoever loses his life for me will find it."

PLACE is a biblically sound and highly effective way of doing ministry!
